Public Notice No. 04/2026 – Postdoctoral Fellowships

Project: FAPESP CEPID BRIDGE

The School of Economics, Business Administration, Accounting, and Actuarial Science at the University of São Paulo (USP/FEA) hereby announces the granting of postdoctoral fellowships funded by FAPESP (São Paulo Research Foundation, http://www.fapesp.br/).

Selection of 1 (one) experienced candidate for the category of Postdoctoral Fellowship linked to CEPID BRIDGE 2022-145561-3 – Ecosystem management for sustainability transitions.

Duration
The fellowships will last for 27 (twenty seven) months and may be renewed for an additional 12 (twelve) months, in accordance to the FAPESP's normative instruction in effect as of 01/06/2025 (https://fapesp.br/bolsas/pd). The funding is linked to the development of the following subprojects:

Location
The selected candidate will carry out their activities primarily at the University of São Paulo / EESC, with availability for travel and interaction with researchers from other campuses and partner institutions of CEPID-BRIDGE.

Fellowship Opportunity

Research Program: Circular Ecosystems to Address Grand Challenges

Supervisor: Prof. Dr. Aldo Roberto Ometto

ORCID: https://orcid.org/0000-0003-3577-5175
Scholar: https://scholar.google.com.br/citations?user=2dc9TegAAAAJ&hl=pt-R&oi=ao

Position Summary
Postdoctoral fellowship at the Center for Research in Ecosystem Management for Sustainable Transitions (CEPID Bridge). The researcher will work in the field of circular economy and ecosystem management, in person, on the São Carlos (SP) campus.

Qualifications

- PhD in Engineering, Business Administration, Circular Economy, Innovation, or Sustainability (candidates from other fields are also accepted).
- Experience with qualitative and quantitative methods in the area.
- Fluency in Portuguese and English.
- The scholarship holder must conduct field research, interviews for data collection and draft scientific articles.

GENERAL INFORMATION

1. Candidate requirements for all subprojects

- PhD completed less than 7 (seven) years ago, with a topic related to the chosen subproject.
- Full-time dedication to the project.
- No employment relationship or receipt of another fellowship/salary/remuneration, except as permitted under FAPESP PR Ordinance No. 05/2012.
- Potential for scientific independence, motivation for research, publication history, and mastery of required skills.
- Proficiency in English (reading, writing, and speaking).

2. Required documents

- Lattes CV (for Brazilian candidates) or Curriculum Vitae (for foreign candidates).
- ORCID with link to publications.
- Motivation letter (in English, up to 500 words).
- Two letters of recommendation + contact information.
- PhD diploma or official letter from the university confirming thesis defense.

3. Application

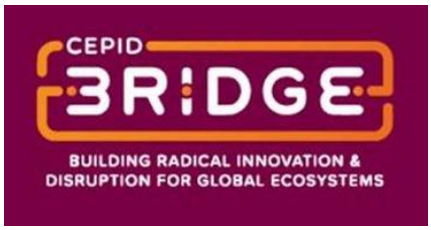
- Open to candidates of any nationality.
- Deadline: **October 02, 2026, at 11:59 p.m. (GMT-3).**
- Complete the form.: https://forms.gle/hhZcT6J7btaztpEL6
- Candidates must be available for online interviews on a date to be scheduled.

Final Provisions

- The selection will be based on an analysis of academic merit.
- Qualified candidates will be invited for virtual interviews.
- Applications with insufficient documentation or motivation will not be invited.
- Coordination by Prof. Dr. José Afonso Mazzon, with participation from the listed supervisors.
- Fellowship redistribution: Subprojects with more qualified candidates may receive fellowships reallocated from others.
- Final approval: After selection, documents will be submitted to FAPESP for formal approval.

Benefits

- Monthly postdoctoral fellowship: R$ 12,570.00



- Research contingency fund: 10% of the annual fellowship value
- For applicants living more than 350 km from São Paulo:
  a) Installation allowance (one-time additional payment)
  b) Travel assistance (land or air transport, economy class)
